

Digital Invitation Editor Guide

This guide is for Buyers and Business Accounts who want to fill in or update their digital invitation.

**Important: Some tabs are only shown when the feature is included in your selected package.
If a tab is not visible, that feature may not be available in your package.**

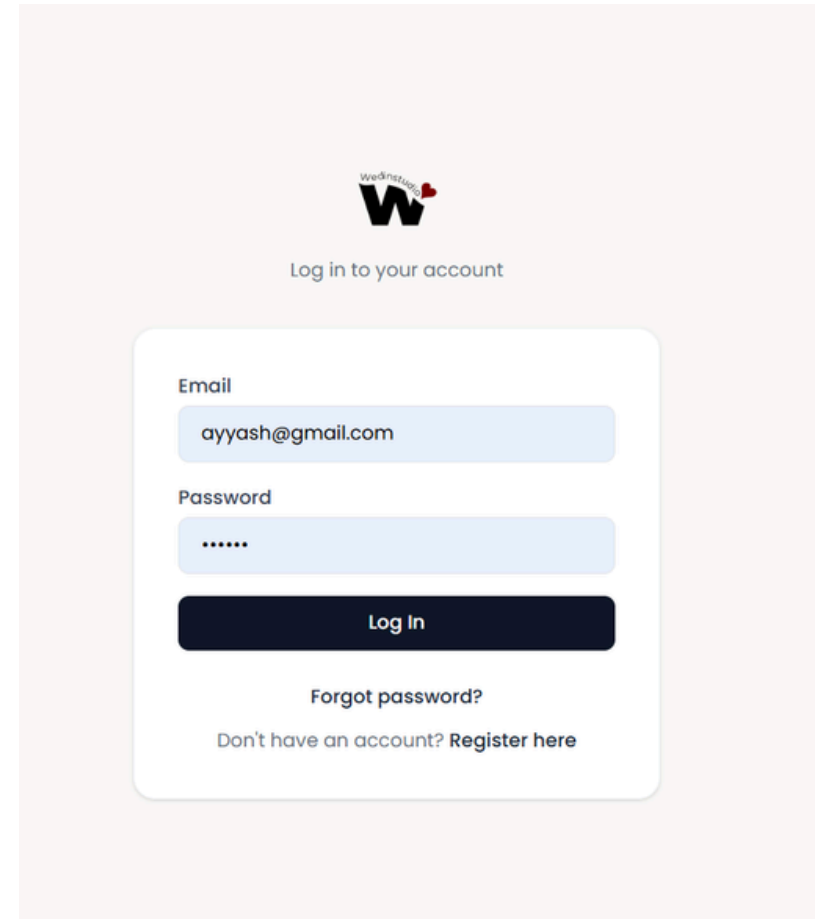

1. How to open the editor

1. Log in to your account.
2. Open the Dashboard.
3. Select the invitation you want to update.
4. Click Edit.
5. Use the tabs at the top to fill in your invitation details.
6. Click SAVE at the bottom when you are finished.

The preview is shown on the right side of the editor. Use it to review your changes before sharing the invitation link with guests.

Before clicking SAVE

- Make sure Cover Groom Name and Cover Bride Name are filled in.
- Both names are required before the invitation can be saved.
- These names are used to create the invitation link.
- After payment, the invitation link stays the same even if the cover names are edited.
- Use your browser in light mode for the most accurate editor display.
